Euroshop 2023, the world's largest trade fair for shopfitting and retail technology in Düsseldorf

Permaplay Media Solutions in Baden-Baden will participate also in this year's leading fair Euroshop 2023 in Düsseldorf. Besides the reliable and endurance tested 7" to 55" screens, the focus will be on touchscreens devices with Android technology and networked digital signage systems with up-date via the cloud. More than 100.000 Permaplay devices have proven their reliability in daily POS use, thanks to mature technology and good service.

Permaplay will show not only the known linear screens and touch screen units but also digital customer stopper and mini bar display for the shelves. The simple up-date will be done via USB Sticks or WiFi or via the cloud. Permaplay offers an easy to use management software which is provided to customers along with the screens.

See you in Düsseldorf - your Permaplay team
